"...seamless execution and outstanding service."

The Australian Technology Park offers exceptional facilities for exhibitions, conferences and events, we also offer a wide range of services through specialist in-house partner companies, that will cater for your every need to ensure the success of your event.

ATP History

Built in 1887, the Eveleigh Locomotive Workshop built and maintained the steam locomotives that were the backbone of New South Wales industry. Over 200 locomotives were built and at its peak in the 1930s, the workshop maintained over 540 locomotives each year and employed over 3,000 skilled workers.

The workshop started to decline with the age of diesel and the last steam engine passenger service was made in 1963. The workshop eventually closed in 1989.

Culinary delights at the Australian Technology Park

From a simple lunch box to a gourmet banquet, the cuisine at the Australian Technology Park is always memorable. The caterers will tailor a menu to suit your culinary tastes to ensure that your expectations are met on the day of your event.

Audio-Visual

The Australian Technology Park Conference Centre offers a selection of quality multipurpose venues, which are capable of supporting a wide range of audio-visual and production requirements. With the assistance of our Audio-Visual Technical Team, you can create a unique and original theme for your next event.

In addition, our theatre facilities offer a surround sound system, digital data/video projection and a full cinema size screen.

State-of-the-art connectivity

The Australian Technology Parks high-speed optic-fibre backbone enables limitless network configurations, internet connectivity, Wireless LAN Network and Video Conferencing. If required our technology partner companies can provide a suite of services, and technology support.

ISDN services support video conferencing and all conference rooms have telephone, network, audio and video outlets capable of full interconnectivity for data sharing, closed circuit broadcasts, linked workshops and training sessions.

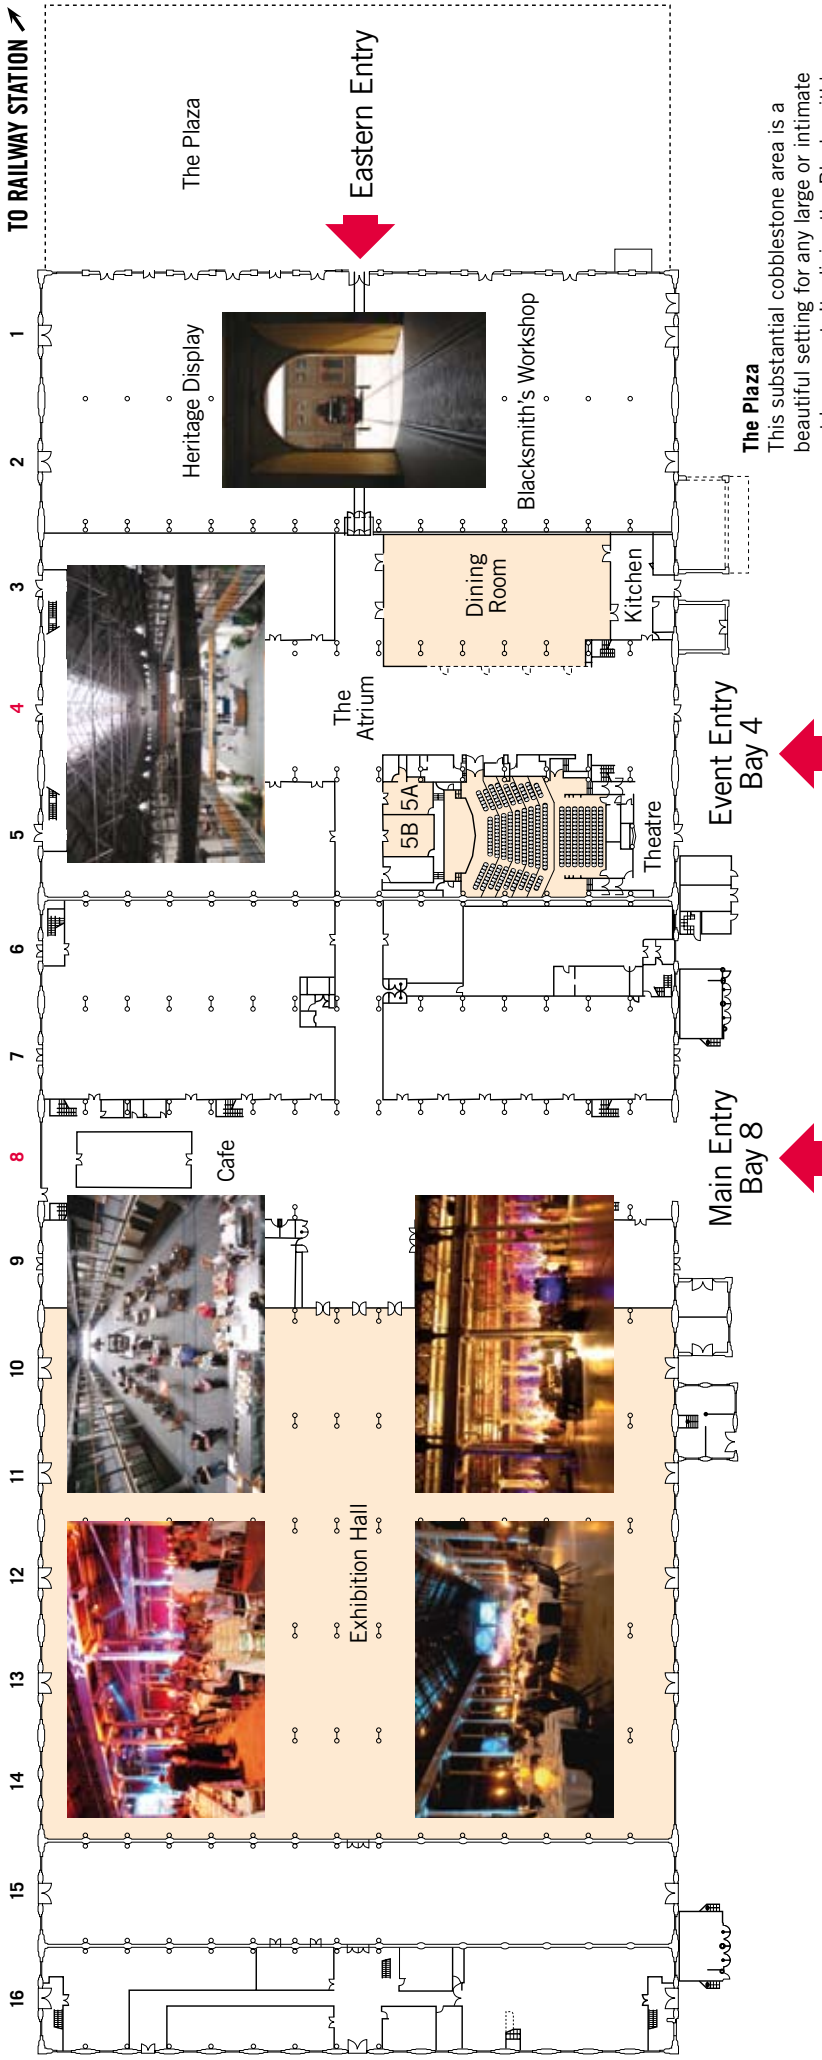

Our professional support team includes event management and co-ordination of services to ensure ease and flexibility in the management and staging of special events and conferences.

Australian Technology Park

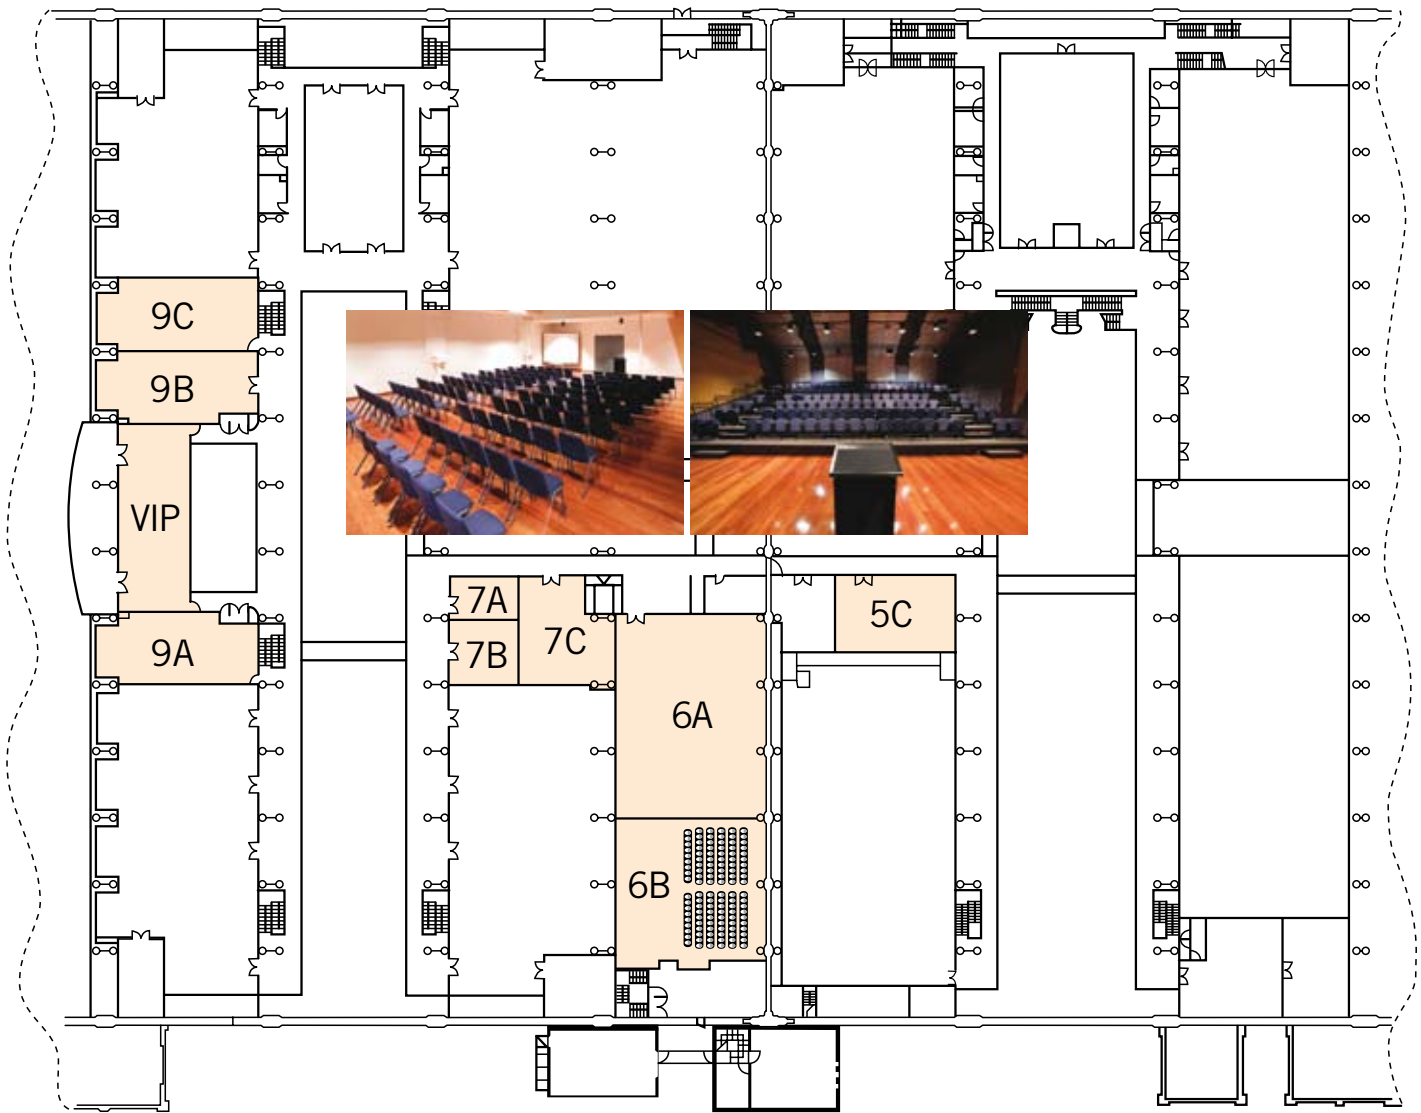

MULTI-FUNCTIONAL EXHIBITION & EVENT FACILITIES... OPTIONS FOR EVERY OCCASION

The Plaza

This substantial cobblestone area is a beautiful setting for any large or intimate outdoor event. It adjoins the Blacksmith's Workshop and like most facilities can be tailored for your special needs.

FIRST FLOOR LOCOMOTIVE WORKSHOP

Meeting Rooms

There are a variety of multi-use meeting rooms to choose from which can accommodate groups of 2 to 180 delegates. The keynote is flexibility.

All meeting rooms have telephone and network audio and video outlets for data sharing, closed-circuit broadcasts and live video conferencing.

BAY 5 Rooms A, B, C

Accommodating groups of 10 to 80 Bay 5's rooms are perfect for small meetings, group presentations or break-out sessions. Both rooms offer backstage access to the Theatre.

Room C, located on Level 1, has easy access to the balcony overlooking the Bay 4 Atrium.

Bay Rooms 6A – Orchestral Room

Bay 6A is an acoustically designed room and is ideal for product launches, cocktails and presentations.

Bay Rooms 6B – Theatrette

Bay 6B's acoustically designed room with tiered style seating is perfect for use as a small auditorium for groups of up to 137.

Bay 7 Rooms A, B, C

The corner meeting room has a balcony overlooking the Bay 8 Atrium and can be used as a space for up to 130 people or divided into three smaller rooms.

Bay 9 Rooms A, B, C

Ideal for concurrent conference or workshop sessions or small to medium sized meetings – the three rooms can be configured for 40 to 180 people.

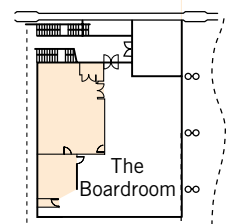

Outdoor Areas

The Vice Chancellors Oval, Basketball and Tennis Courts are great for team building activities. Set amongst landscaped gardens with BBQ facilities in shaded areas they also offer a 'fresh air' break out option for conferences.

SECOND FLOOR

The Boardroom

If you need a private Boardroom with a table that can seat 15 to 20 people comfortably with full presentation facilities then this second floor space will appeal.
